

## ABOUT THE STATE

## HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

At the state prison farm, 2,000 bushels of potatoes will be harvested this year.

It has been officially announced that there will be no muster of the Vermont volunteer militia this fall.

A pouch of first-class mail, northbound, was stolen from the platform at the passenger station in Windsor last week.

Five cattle belonging to A. L. Erickson of Norton recently wandered onto the railroad track and were killed by a train.

Three Ripston young men recently discovered a "bee" tree, from which they took 75 pounds of honey of an excellent quality.

As Joseph Forest of Weybridge was at work Monday around Middlebury college, where he is employed, and hewing a sill for a barn, the axe slipped and one of his toes was nearly cut off.

No coal has yet been put in the Morrisville schoolhouse for the winter and one of the school directors says if there is not coal enough for both private homes and the school, the school will be closed, although he does not anticipate such a necessity.

Rev. W. R. Hamlin, pastor of the Congregational church at Hyde Park for several years, has resigned and will complete his duties there Oct. 15, having accepted a call to the pastorate of the Congregational church at North Bennington.

For the 30 days ending Sept. 1, 229 losses caused by lightning were adjusted by the Vermont and Union Mutual Fire Insurance companies. During August over half of the losses in Vermont in the two companies were caused by lightning.

Jesse Connolly, aged 17, of Westmore, took an automobile from the fair grounds at Lancaster, N. H., during the recent exhibition there and came to St. Johnsbury, Lyndonville and Island Pond before the police in that vicinity were notified by New Hampshire authorities to be on the lookout for the car. Connolly was finally apprehended at Island Pond and his relatives settled for damages done to the car in a collision. That satisfied the owners and any further charge was dropped, but it was learned that Connolly had previously been guilty of forging a check and as he pleaded guilty to this he was sentenced to the industrial school for the remainder of his minority.

## DEATH OF SHELBOURNE MAN.

George Eddy, 74, expired in his yard Thursday.

Shelburne, Sept. 28.—George Eddy, 74, died suddenly yesterday of heart disease. Mr. Eddy had returned from taking the milk to the creamery and had driven into the yard and alighted from his wagon. As he reached the barn door he was taken ill and fell over. Miss Chaffee, the housekeeper, was on the way to the barn at the time, saw the man as he was falling and caught him before he expired. She telephoned Dr. Norton and also notified the selectman, who came to the scene. Mr. Eddy died but a short time after the stroke came. He had complained of not having much appetite yesterday morning, but in other respects appeared as well as usual, though he had been subject to heart attacks.

Mr. Eddy was one of the oldest residents of the town. He was for many years a member of the official board of the Methodist church. He also belonged to Friendship lodge, F. and A. M., of Charlotte.

Mr. Eddy is survived by four children, Mrs. Fred Gove and Mrs. Clayton Gove, both of Charlotte, Frank Eddy of Shelburne and Anson Eddy of Hartford, Conn.

## Auction Sale

Real Estate and Personal Property!

Having recently purchased the farm, stock and tools of Fred Hovey, I will sell the same at public auction to the highest bidder, on the premises on Hampshire hill, 1 1/2 miles from Worcester Corner, on

FRIDAY, SEPT. 28, 1917  
at 10 o'clock in the forenoon:

## THE HOME FARM

containing about 230 acres of land, suitably divided. Buildings in good condition; never-failing running water at house and barn; good sugar and apple orchards, also small fruits. I will also sell the MACEY HOUSE, so called, and 10 acres of land, 1/4 mile from the home place. This could easily be converted into a summer home or camp, or would make an ideal hunter's camp. Good running water to house, young apple orchard, fine yard with shade trees.

Also 1 pair of draft horses, weight about 2,800 lbs., well matched and good honest workers; 1 12-year-old black horse, good worker and driver.

FARMING TOOLS—1 good mowing machine, horse rake, horse hoe, harrow, cultivator, stoneboiler, grindstone, lumber wagon with box body and rack, travese sled, 1 horse lumber wagon, pair heavy work harnesses, single driving harness, milk separator, 2 good buggies, sleigh, pump, whiffletree, neck yokes, etc., and all small tools usually used around a farm.

Sale positive. Terms at time of sale. Lunch on Sept. 28, at 10 a. m.
